technical equipment necessary:

There are 2 persons in the rhythm section and 3 persons in the melodic section as shown here:

Technisches:

- banjo needs a microphone for instruments with stand (a chair is needed also).
- sousaphon needs a microphone for instruments, best with conical shaft, for instance Shure, so it fits into the fixture we will bring with us.
- hihat in large rooms or open air an overhead microphone with stand is needed
- trumpet needs a microphone for instruments or vocals with stand
- clarinet needs a microphone for instruments or vocals with stand
- trombone needs a microphone for instruments or vocals with stand
- vocals since the musicians playing trumpet, clarinet and trombone sing (sometimes together), they all need a microphone for vocals with a stand. These microphones can also be used for the instruments.

- 2 monitors are very welcome
- one chair or stool is needed

- if necessary the electric lightning should be provided by the event manager
